

Ákos Kristóf

Full-stack developer

kristofakos1229@gmail.com

+36 20 372 7690

Hungary, Budapest, 1097

Native Hungarian,
English (C1 exam)

ABOUT ME

Since I was 14, I thought about programming as a way of expressing myself.

Now, I am a detail-oriented, creative programmer, who is capable of creating smooth and compact solutions for the web. I prioritize user experience, teamwork and assertive communication.
